Campus: Mt. Scopus

Course/Module Coordinator:

Coordinator Email:

Coordinator Office Hours:

Teaching Staff:
  Dr. Rabah Halabi

Course/Module description:

We will look at the Arab educational system in Israel throughout the years and at the policy and ideology that constructed this system. We will focus on analyzing the structure of this educational system. In addition we will examine the educational goals that Arab students are exposed to, and the curricula that are being taught in Arab schools.

<u>Course/Module aims:</u>
The goal of the course is to understand the State policy regarding the education of the Arabs in Israel through the years. We will examine the educational policy in the context of the overall policies toward the Arab minority in Israel and in view of different educational models regarding minorities in multi-cultural societies in the world.

<u>Learning outcomes - On successful completion of this module, students should be able to:</u>
  The students will understand the ideology behind the Arab education in Israel;
  The students will acquired basic knowledge about multi-cultural education;
  The students will develop critical tools based on Friere's approach, for analyzing educational systems, and more specific, the Arab education.
