Syllabus

Capital Cities: Urban Growth in Global and Historical Perspective - 39813

Last update 16-09-2015

HU Credits: 4

Degree/Cycle: 2nd degree (Master)

Responsible Department: history

Academic year: 0

Semester: Yearly

Teaching Languages: English

Campus: Mt. Scopus

Course/Module Coordinator: Prof. Sean Dinces

Coordinator Email: dinces@wisc.edu

Coordinator Office Hours:

Teaching Staff:
Dr. Sean Dinces
Course/Module description:
This seminar examines the history and geography of urban growth in both its economic and demographic contexts.

Course/Module aims:

Learning outcomes - On successful completion of this module, students should be able to:
- Develop and improve their ability to engage with—that is, digest, summarize, and evaluate—academic argumentation.
- Become familiar with a variety of qualitative, quantitative, and historical methodologies within the field of urban studies.
- Practice presentation skills within a small group format.
- Practice writing skills by way of several short response and essay assignments throughout the semester.

Attendance requirements(%):

Teaching arrangement and method of instruction:
