Prof Michael Helfand*

---

Course/Module description:

*The goal of this course is to explore the American approach to clashes between law and religion—an approach built upon principles of non-establishment and free religious exercise—and consider the coherence of that approach as well as its utility for other countries around the world, including Israel.*

Course/Module aims:

Learning outcomes - On successful completion of this module, students should be able to:

*Students, upon completing of this course, should be able to:*
