Course/Module Coordinator: Prof. Elisheva baumgarten

Coordinator Email: elisheva.baumgarten@mail.huji.ac.il

Coordinator Office Hours: Monday 10-11

Teaching Staff:

Prof Elisheva Baumgarten

Course/Module description:

This class will examine the way Jews functioned in different spaces in medieval culture in Northern Europe. We will examine urban Jewish communities and seek to outline the contours of familial and communal life examining interactions between men and women, different members and groups within Jewish society and between Jews and Christians. The house, the street, the marketplace, the synagogue, the church and the court will all be analyzed. Theories regarding space, cultural geography, gender and comparative history will all be central to our examination.

Course/Module aims:

source criticism and location, histoire de probleme, methodological survey, creation of a research paper

Learning outcomes - On successful completion of this module, students should be able to:

production of an independent seminar paper, reading and analysis of varied primary sources, oral presentation, research survey

Attendance requirements(%):

100

Teaching arrangement and method of instruction: frontal, collaborative, independent work, exercises and feedback

Course/Module Content:

Homes, synagogues, the street, markets, cemeteries churches and monasteries
