Course/Module Coordinator: Dr. Michael Weiskopf

Coordinator Email: weiskopf@013.net

Coordinator Office Hours: Tuesday 13:30 - 14:30

Teaching Staff:

Dr. Michael Weiskopf

Course/Module description:

The course covers the period from the beginning of the 20 century to date. Intercultural relations between German and Russian cultures are viewed, their interaction and mutual influence are studied in various aspects, besides literature, as science, philosophy, art, architecture, theater, ballet, music, cinema, and in the wide political context.

Course/Module aims:

The aim of the course is to bring awareness of the intensity of cultural ties between the two great neighbor countries and to show how such ties have their own dynamics and how they cope with complicated political situations.

Learning outcomes - On successful completion of this module, students should be able to:

As a result of the course the students will better understand the specific nature of both cultures that thrive on cultural import and weaken in times of political isolation. They will deeper understand the unique role of Jews as natural mediators and will be better prepared to appreciate both German and Russian modern literary texts.

Attendance requirements(%):

100
