Course/Module description:

This course is suitable for those who have acquired beginner or intermediate Indonesian language skill and would like to continue practicing it. The course emphasizes on the use of Indonesian not only in everyday usage but also in a formal context. The course includes all aspect in learning a language: writing, reading, listening and speaking.

Course/Module aims:

The course aims to enrich your knowledge and usage of Indonesian language through practices that are done during the course. It is in this level that we start learning various prefixes and suffixes in the language. It also includes getting to know Indonesia better by looking at various materials such as song lyric, poetry, newspaper articles, etc.

Learning outcomes - On successful completion of this module, students should be able to:

Use the language more confidently both orally and in writing. Understand grammar better and able to construct more sentences in a more complex way.

Attendance requirements(%):

100%

Teaching arrangement and method of instruction: In person (on campus)

Course/Module Content:

Acquiring more vocabularies on a range of subjects - both formally and informally. The course will also introduce students to the cultural context of certain words, phrases and grammatical structures.
