Course/Module description:

This Japanese warrior has become an international cultural figure, appearing in games, films, and books throughout the world. Books detailing “samurai” business management and ethics still sell. There are even samurai diet books. But who were these warriors, and what was their effect on the history of Japan?

Course/Module aims:

In this course will trace the history of the Japanese warrior by looking at the lives of 13 exemplary warriors.

Learning outcomes - On successful completion of this module, students should be able to:

*To analyze the role that warriors have played in Japanese history.
To identify the broad outlines of Japanese history until 1900.
To appraise the effect that war has had on society and the warriors themselves.
To learn to critically evaluate a wide variety of primary sources.
To recollect and debate major issues in the field of Japanese history.*

Attendance requirements(%):

Attendance mandatory, 80%

Teaching arrangement and method of instruction: Primarily lectures along with with use of videos and movies.
