Responsible Department: Conflict Management & Resolution

Academic year: 0

Semester: 1st Semester

<u>Teaching Languages:</u> Hebrew

Campus: Mt. Scopus

Course/Module Coordinator: Dr. Yehudith.Auerbach

Coordinator Email: yehudith.auerbach@mail.huji.ac.il

Coordinator Office Hours: Monday 10:30-12:00

Teaching Staff:

Dr. Yehudith Auerbach

Course/Module description:

The course will discuss the following questions: What are the differences between various kinds of international and intra-state conflicts? What are the differences between various processes of conflict termination (e.g. management, solution, reconciliation)? What is the role of the cultural – religious dimension in conflict inflammation and settlement? What are the role of narratives in conflict? What are the advantages and disadvantages of different mechanisms for conflict termination (such as forgiveness, TRCs, reparations)? How do different paradigms in international relations and other relevant disciplines (Social Psychology, Communication) cope with these issues?

These questions will be discussed in light of relevant research from various fields and of current conflicts all over the Globe.

Course/Module aims:

the aim of the course is to provide the students with the necessary skills to undesrstand the complexitiy of current inter and intra-nation conflicts and assess the optimal and possible ways to resolve them and to achieve reconciliation between the rivals.

<u>Learning outcomes - On successful completion of this module, students should be</u> able to:

At the end of the course the students will be able to compare between different mechanisms of conflict termination, to carry out independent research works, and to present their research in various academic forums.

Attendance requirements(%):

80

Teaching arrangement and method of instruction: The course will be an active learning course, based om the reading of the students and their participation in the discussion. Visitors may be invited throughout the semester
