Academic year: 0

Semester: 2nd Semester

Teaching Languages: English

Campus: Mt. Scopus

Course/Module Coordinator: Dr. Katya Assaf

Coordinator Email: katya.assaf@mail.huji.ac.il

Coordinator Office Hours:

Teaching Staff:

Dr. Katya Assaf

Course/Module description:

This course aims to grant the students broad basic knowledge of the German legal system. It provides an overview of its structure, discussing both of its houses of legislation, the federal and the local regulation, the judicial system, as well as the existing political parties.

We will get acquainted with the characteristic traits of the German legal system, such as the great weight it ascribes the protection of social welfare and human dignity. We will see how it understands the freedom of religion/from religion, both in the context of education and broader contexts. We will discuss different aspects of freedom of expression, such as hate speech, Holocaust denial, the use of Nazi symbols, flag burning, personal defamation, and more.

Course/Module aims:

This course aims to provide broad basic understanding of the German legal system, its structure, its functioning, its basic characteristics and its position on several socially significant topics.

Learning outcomes - On successful completion of this module, students should be able to:

The students should be able to describe the process of legislation in the German legal system, its court system, each of its political parties, as well as its position on several central topics, such as state and religion.
