Semester: 1st Semester

Teaching Languages: Hebrew

Campus: Mt. Scopus

Course/Module Coordinator: Avner de Shalit

Coordinator Email: avner.deshalit@mail.huji.ac.il

Coordinator Office Hours: Mond 3 pm to 4.30 pm

Teaching Staff:

Prof Avner De-Shalit

Course/Module description:

This course is an introductory course to the study of politics. After discussing politics' definitions and what it is all about we shall study main concepts in the study of politics and we shall study the language of political science. We shall review several key theories that form Political Science's canon. We shall distinguish between empirical and normative research and meet prominent scholars in the two schools

Course/Module aims:

The course's goal is to define, clarify and crucially analyze key concepts and theories in the study of politics, both empirical and normative studies

Learning outcomes - On successful completion of this module, students should be able to:

To define and comprehend various key concepts and theories in the study of politics

To apply these concepts and theories when engaged in research

To crucially analyze political events while using key theories

To compare alternative theories which explain various political events and to know how to evaluate their abilities to explain these events.

Attendance requirements(%):

100%

Teaching arrangement and method of instruction: Lectures twice a week plus one submitted paper

Course/Module Content:
