Coordinator Office Hours: by email appt

Teaching Staff:

Dr. Moran-Gilad Lia,
Dr. Yael Bar-Zeev,
Dr. Shuli Brammli-Greenberg,
Prof Hagai Levine

Course/Module description:

The workshop aims to facilitate the integration and application of public health approaches taught during the MPH in the form of policy development. Students will choose a topic from an available list, will participate in small group work and plenary discussions. The final course report will be in the format of a policy paper together with a lay summary

Course/Module aims:

The workshop offers an opportunity to apply the learned skills and knowledge towards a relevant and timely public health challenge.

Learning outcomes - On successful completion of this module, students should be able to:

Workshop participants work in small mentored groups with each group focusing on a different topic. Students will perform literature reviews, will discuss and present policy alternatives based on available evidence, and will draft a policy paper

Attendance requirements(%):

80%

Teaching arrangement and method of instruction: Course teaching combines frontal lectures, small group work, student presentations and paper drafting

Course/Module Content:

A list of topics will be made available to students at the beginning of the semester

Required Reading:

The readings will be determined by the specific subject that the student will be assigned to
